

① Shakespeare understands what transmutates
everything into one substance

"One touch of nature makes the
whole world kin"

② Blake

"To see a World in a grain of sand
And a Heaven in a wild Flower,
Hold infinity in the palm of your
hand
And Eternity in ^{an} ~~our~~ hour"

"He who bends to himself a joy
Does the winged life destroy;
But he who kisses the joy
Lives in eternity's sun rise"
as it flies
