Re: ARREST OF SUNDERLAL BAHUGUNA

Dear Shri. Mulayam Singh Ji,

Namaskar.

We have read that your government has arrested Shri Sunderlal Bahuguna of Himalay Bachao Andolan and his colleagues who were fasting against Tehri Dam.

We condemn this arrest and we also condemn the manhandling of the people in prison. We request you to release them unconditionally. We also request you to reconsider the building of controversial Tehri Dam.

Hope you will take action to release Shri Bahuguna and his colleagues.

Yours faithfully,

Re: Kaiga Atomic Power Plant

Dear Shri Surendra Singh Ji,

Namaskar.

As member of Atomic Energy Commission we request you to release the report of Atomic Energy Regulatory Board (AERB) on the mishap of dome collapse at Kaiga Atomic Power Plant (KAPP).

As the NPC Ltd has already spent Rs. 1200 crores, we would like to know the outcome of the study by AERB.

This is very important because the people have every right to know about the safety of KAPP.

We request you to halt all the construction work at KAPP including stringing of power line from Kaiga to Bangalore.

Please release the report at the earliest to enable us to satisfy ourselves about the safety aspects of KAPP.

Looking forward to your early response.

Dear Shri J.B. Pattanaik Ji.,

Namaskar.

We are shocked to hear about the gang rape of two youth activists of Women's Initiative For Development Education on 7th September 1995 in Sahaspur village in Laikera block of Jharsuguda district.

We request you to take immediate action to meet the following demands.

- \* Immediate submission of charge-sheet in Jharsuguda Court
- \* Culprits need to be punished with Non-bailable warrant.
- \* The concerned investigating police and judiciary officials in Jharsuguda District cannot be transferred else where before the case is finalised.
- \* Investigation as to find the gang behind the boys, action for possible pornography.
- \* Suspension of the Doctor, who misbehaved
- \* Tribal women home-guard for each tribal village
- \* Change of law for more stringent punishment for rape.

ಮತ್ತು ಶಿವಳ್ಳಿ ಜಂಟಿಬೆಂಚ್ 1-2 ತಿಂಗಳ ಹಿಂದೆ ನಾಟಾ ಕೆಲಸವನ್ನು ಹೆಚ್ಚು ಹುಣ್ಣು ತಯಾರಿಸಿ ನಿರ್ವಹಿಸಿ ತಯಾರಿಸಿದಾರೆ. ಶಿವಳ್ಳಿ ಹೆಚ್ಚಿನವರಿಂದ ರೂ.6,000-00 ಇದೇ ಗಾರ್ಡರು ತೆಗೆದು- ಕೊಂಡಿರುವುದರ ಬಗ್ಗೆ ತಿಳಿದವ ಬಂದಿದೆ. ನಂತರ ನಾಟಾ ಕೆಲಸವನ್ನು ಹತ್ತಿರವೂ ಸಹ ಮಾಮೂಲ ಕೆಲಸವಿಲ್ಲದಂತೆ ತಿಳಿದಿದೆ. ಆದರೆ ನಾಟಾ ಕೆಲಸವನ್ನು ಇವರಿಗೆ ಮಾಮೂಲ ಕೆಲಸವಿಲ್ಲದಂತೆ- ವೆಂದು ತಿಳಿದ ನಂತರ ಶಿವಳ್ಳಿಯಿಂದ ನಿರ್ವಹಿಸುವ ಗಾಡಿಯ ಮೂಲಕರಾದ ಪ್ರಭು ಅವರಿಗೆ 40 ಹುಣ್ಣು ತಯಾರಿಸಿ ನಂತರ ಅವರಿಂದ 10,000ರೂ. ತೆಗೆದುಕೊಂಡು ಕೆಲವು ದಿನಗಳ ನಂತರ ಅವರ ಶಿವಳ್ಳಿ ಮನೆಯಲ್ಲಿದ್ದ 20 ಹುಣ್ಣು ತಯಾರಿಸಿ ಹಿಡಿದು ಒಟ್ಟು ತಯಾರಿಸಿದಾರೆ. ಇದರ ಬಗ್ಗೆ ದಂಡ ವ್ಯಕ್ತಿ ಯಾವುದೂ ಮಾಡಿರುವುದಿಲ್ಲ. ಹೀಗೆ ಪ್ರತಿ ತಿಂಗಳಿಂದಲೂ ಇನಫಾರಂ ಗಾರ್ಡರು ಮತ್ತು ಇತರ ಕೆಲವರು ನೇರಿಸಿಕೊಂಡು ಒಂದು ಗುಂಪು ಕೂಡಿಸಿಕೊಂಡು ಅರಣ್ಯ ಇಲಾಖೆಗೆ ತುಂಬಲಾರದಷ್ಟು ಹಾನಿಯನ್ನುಂಟುಮಾಡುತ್ತಿದ್ದಾರೆ. ಹಳ್ಳಿಯ ರೈತರು ಉರುವಲಕ್ಕೆ ಕಟ್ಟಿಗೆ ತಂದರೆ, ಕೊಳೆ ಕೆಲಸಕ್ಕೆ ನೆರವು ತಂದೆ ಬಂದು ಹಿಡಿದು ಗಲಾಟೆ ಮಾಡಿ ಕೆಲವು ತುಂಬಿದ ಮೇಲೆ ವಾಪಸ್ಸು ಹೋಗುತ್ತಿದ್ದಾರೆ. ಈ ಕೃತ್ಯವನ್ನು ನಮ್ಮಿಂದ ನಡೆಸಿಕೊಳ್ಳುವುದಕ್ಕೆ ಆಗುವುದಿಲ್ಲ.

ಕಾರಣ ಇನಫಾರಂ ಗಾರ್ಡರಿಗೆ ಕೆಲವೇ ದಿನಗಳಲ್ಲಿ ತಾವು ಸರಿಯಾದ ದೃಷ್ಟಿ ಮಾಡುವುದಾಗಿ ನಾವು ನಂಬಿಕೊಳ್ಳುತ್ತೇವೆ. ಇದೇ ರೀತಿ ನಮ್ಮ ಸ್ವಂತದ ಮನೆಕಟ್ಟಡದ ಸಲುವಾಗಿ ಕಲ್ಲು ತರುತ್ತಿರುವಾಗ ಯುಕ್ಕಂಜಿ ಗೇಟಿನಲ್ಲಿ ಬೋಲೈಸ ಕಲ್ಲು ಲಾರಿಗೆ ರೂ.35 ಕೆಂಪುಕಲ್ಲು ಲಾರಿಗೆ ರೂ.50-00 ವಸೂಲ ಮಾಡುತ್ತಾರೆ. ಮತ್ತು ಮಳಲು ಲಾರಿಗೆ 20ರೂ. ವಸೂಲಾಡುತ್ತಾರೆ. ಇದು ಯಾವ ರೀತಿಯ ಕ್ರಮ ವನ್ನುವುದು ಎಂಬುದನ್ನು ತಾವೇ ತಿಳಿದುಕೊಂಡು ಮುಂದಿನ ತಿಂಗಳಿಗೆ ಪೂರೈಕೆ. ಹಾಗೂ ಈ ಹಿಂದೆ ಇನಫಾರಂ ಗಾರ್ಡರು, ಶಿವಳ್ಳಿ ಗಾರ್ಡರು ಗಣಪತಿ ವಾಚಮನ ಮತ್ತು ಮೂರೂ ನೇರಿಸಿಕೊಂಡು ಪ್ರಭಾಕರ ನಾಯಕ, ಬಾಳಗಾರ ಇವನನ್ನು ಹಿಡಿದು ಅಧಿಕಾರಿಗಳ ಎದುರಿಗೆ ಬಣ್ಣ ಹಚ್ಚಿ ಈಗ ಅದೇ ಪ್ರಭಾಕರನೇ ನಾಟಾ ಕೆಲಸವನ್ನು ಸಾಗಿಸುವುದಕ್ಕೆ ಆಡರನನಾಗಿ ಮಾಡಿರುತ್ತಾರೆ. ನಮ್ಮಿಗೆ ಈ ವಿಷಯ ಅವರಿಂದಲೇ ತಿಳಿದು ಬಂದಿದೆ. ಕಾರಣ ಪ್ರಭಾಕರ ನಾಯಕನು ಪ್ರತಿ ತಿಂಗಳು ಈ ನಿಮ್ಮ ಜನರಿಗೆ ರೂ.10,000-00 ಮಾಮೂಲವಂತಾ ಕೊಟ್ಟಿರುತ್ತಾನೆಂದು ತಿಳಿದು ಬಂದಿದೆ. ಹಾಗೂ ಕುಪ್ಪಳಿಯ ಹರೀಶ ನಾಯಕ ಇವನಿಂದಲೂ ಸಹ ಪ್ರತಿ ತಿಂಗಳಿಗೆ ಇಷ್ಟಷ್ಟು ಕೊಡಬೇಕೆಂತಾ ಹೇಳಿ ಒಂದು ಕಡೆಯಿಂದ ಮರ ಪಾಲ ಮಾಡುವುದಕ್ಕೆ ಹಚ್ಚಿರುತ್ತಾರೆ.

ಇನ್ನೊಂದು ವಿಷಯ ಬಿಸುಕೊಪ್ಪ ಕತ್ತಿಯಿಂದ ಕುಪ್ಪಳಿಗೆ ಹೋಗುವ ರಸ್ತೆಯಲ್ಲಿ ಎಡಬದಿಗೆ ಮಂಜುನಾಥ ದ್ರಾವರ, ಕೆವನಅರಣ್ಣಿ ಇವನ ಮನೆಯ ಹಿಂದುಗಡೆ ಶ್ರೀಮತಿ ವೀಣಾ ಎಂಬವಳು ಹೋಸದಾಗಿ ಅತಿಕ್ರಮ ಮಾಡಿ ಮನೆಗೆ ಗೋಡೆ ಹಾಕಿ ಹಂಪು ಹಾಕಿರುತ್ತಾಳೆ ಮತ್ತು ಸುಮಾರು 4 ಎಕ್ರೆ ಜಾಗ ಅಗುವಷ್ಟು ಹೆಡ್ಡಗಳನ್ನು ಕಡಿದು ಅಲ್ಲಲ್ಲಿ ಬಾಳೆಗಿಡಗಳನ್ನು ಹಚ್ಚಿರುತ್ತಾಳೆ. ಇದರ ಬಗ್ಗೆ ಡಿಲಾಖೆಯ ನೌಕರರೇ ಶಾಮೀಲಾಗಿ ದೂರವೆಂದು ತಿಳಿದು ಬಂದಿದೆ.

ಇದರ ಬಗ್ಗೆ ಕೂಡಲೇ ಮುಂದಿನ ಕ್ರಮ ಕೈಗೊಳ್ಳಬೇಕಾಗಿ ವಿನಂತಿಸುತ್ತೇವೆ.

**Re: OBJECTION TO TATTIHALLA AUGUMENTATION SCHEME**

Dear Sir,

On the occasion of Public Hearing for the above scheme we submit the following objections based on the Environment Impact Assessment of the Project.

**1.4 Submersion details**

Out of 132 hectares of submersion the area 28 ha is on the river course. These forests on the Banks of the river are unique ecosystems that cannot be compensated. They house endemic plants. The Environment Impact Assessment has not given weightage to this aspect.

- 1.7 The project expects to augment 15TMC water to Tattihalla reservoir. In order to assess the water flow there is need collect the data for at least 10 years. The present project has not been able to collect the data and is merely based on rough estimate. The erratic rainfall as well as reduction in water flow may result in decreased availability of water in the long run leading to decreased benefits
- 2.2 The EIA states that it has been ascertained that there will be little or no flow of water in the river during summer month. The EIA does not provide the specific data of the water flow during the rainy season. In order to build a dam at Madanur village across Bedti River it is essential to collect data of water flow over a decade to asses the availability of water during monsoon and dry season.
- 2.5 The EIA states that there is no impact on the sanctuary. However, it is well known that the proposed dam site is used as migratory path for wild elephants in the region. Building of this dam would hinder the lives of wild animals by destroying migratory routes.

2.6 As the dam site is included under seismic zone II in the seismic zoning map of India, the dam is prone to be in earthquake region.

2.7 Sedimentation and silting is increased due to the different land use in the catchment region. Proper study of siltation rate is essential before construction of the dam.

3.6 to 3.10 In the project area there are several type of forest species, which are widely used as wild foods by the village community. These wild food resources are important for food security of the poor (for example species like *Phyllanthus emblica*, *Artocarpus hirsutus*, *Elephantus scaber*, *Cassia tora*, *Dioscorea* spp). Many plants are of medicinal and cultural relevance to this community (*Hemidesmus indicus*, *Terminalia bellerica*, *Terminalia paniculata*, *Sida acuta*). This is not given due consideration in the EIA.

3.16 The study of flora and fauna states that there is no species that is endangered. However, the riverine forests are endangered ecosystems and needs to be protected.

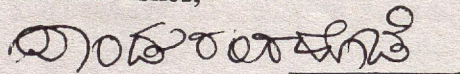

3.17 The EIA has not assessed the likely impact of population pressure on felling of trees for fire wood requirement of construction labour. Is there alternate fuel arrangement made for the construction to prevent indiscriminate felling of trees?

4.10 The EIA states that four species of fish in the region are endangered. There is need to save these endangered species. The EIA does not mention of action plan to save these species.

6.9 The socio economic study does not provide information on *Gowlis* who are (Nomadic tribes). They depend on forest for livelihood. Similarly they are also involved in collection of Minor Forest Produce from the forests. These groups of people are the weaker sections and it is essential to give due importance to them. Unfortunately the EIA has failed to take notice of their existence.

The TAS will submerge the riverine forests and it will adversely effect the ecology as well as the weaker section of the people. Rehabilitation of these groups will be difficult. Based on these aspects we request you to cancel the construction of TAS.

With best wishes,

Dear Sir,

We condemn the most atrocious conduct of Mr. Sanaulla, District Commissioner of Bangalore, in ordering the arrests of citizens who were demanding access to public domain information on the Bangalore Mysore Infrastructure Corridor in the Environmental Public Hearing held on 05 July 2000 at Bangalore. It would have been most appropriate if the Hearings were held after the documents were provided to the public as assured in the previous Hearings held during March 2000. To have denied these documents, and what's worse, arrest those who were exercising their rights to demand the information, is a most condemnable act of an officer of your Government.

We demand that you should suspend Mr. Sanaulla forthwith for this most irrational, arbitrary and reprehensible act of ordering brute police action and immediately order an enquiry into the incident.

It would consequently be most appropriate on your part to withhold any clearance to the project, and further direct the concerned agencies to hold Hearings in a just, responsible and peaceful manner but only after the requested public domain information is made available at local Taluk Panchayat offices for inspection by the public, especially in the local language.

Given the widespread abuse of human rights during yesterday's July 5th "hearings", the same must be declared null and void.

We hope that you will take immediate action in this regard as a true sign of progress in a democratic society.

Yours truly,

Sd/-

### Request to Repeal FCRA

The Foreign Contribution Regulation Act (FCRA) (1976) was enacted to regulate the receipt and utilisation of Foreign Contribution into the country. It was during the same time that the Foreign Exchange Regulation Act (FERA) was also enacted to regulate receipt and utilisation of foreign exchange in India.

After the repeal of the criminal act FERA and enactment of the civil act called Foreign Exchange Management Act (FEMA), FCRA has lost its relevance. Therefore we are demanding that the FCRA be repealed.

This Act poses a great threat to the values of our sovereign democratic republic and impinges a lot of restriction on voluntary action which is killing the spirit of 'Voluntarism' in the country. This also goes against the government policy of liberalisation where in the government has entered its second phase of pursuance of philosophy of economic liberalisation.

We believe that the Act has *failed in its purpose*. Since the enactment of the Act in 1976 no one has been prosecuted for the violation of the FCRA. This clearly proves that the Act has failed in its purpose and has been used time and again by the vested interests to suppress the voice of the voluntary organisation.

*The implementation of the FCRA violates principles of Natural Justice and therefore violates Art.14 of the Indian Constitution.* By refusing registration or prior permission under the FCRA even without giving reason and opportunity to the party to defend themselves the Act violates the principles of Natural Justice. This is unacceptable in a free and open society. The Supreme court more than 20 years ago was able to assert that "it is settled law that where an authority makes an order in exercise of a quasi-judicial function it must record its reason in support of the order it makes."

The FCRA is *inconsistent with the standards of the UN Declaration on Human Rights Defenders* to which India is signatory. The declaration includes the right to receive and use financial resources for human rights activities. By continuing FCRA, India is violating its own commitments made to UN and the World Community at large.

FCRA is a *threat to the National Security*. The FCRA is under the Home Ministry which deals with internal security of our nation. Corruption is rampant. Registration under FCRA can be sought by paying sums of money to the official. What will happen to

the security of the nation if large sums of money is given by anti-national elements. Is not the security of the nation at stake!

***The FCRA promotes criminal activities.*** Many voluntary organisations have been refused registration even without giving any reason. The Act clearly says that the Government has the power to prohibit receipt of foreign contribution by any organisation ***on five grounds namely:*** the sovereignty and integrity of India; the public interest freedom or fairness of election to any legislature; friendly relations with any foreign State; harmony between religious, racial, linguistic or regional groups, castes or communities.

Denial of registration means the Government has sufficient information/data that the applicant organisation is involved in a activity against the constitutional values/norms etc. If this is so then government should immediately take action and prosecute them. By not doing so, and by simply saying that the registration under FCRA is not possible, the government is not only giving protection to such criminal organisations but also ***promoting criminal activities.***

***FCRA hampers development.*** Bihar, Madhya Pradesh, Rajasthan and Uttar Pradehs are called BIMARU states. They are underdeveloped when compared to the other state such as the Southern States, Maharashtra and Gujarat. These are the very states wherein the politicians and bureacrats are openly against the voluntary organisations and foreign funding. Neither does the state government have any funds for development nor do they welcome foreign funds. Surprisingly these are the states where the foreign funds received constitute less than 10% of the total funds received in India as compared to the aprox. 50% of the foreign funds received by the Southern States. The result is out in the open for all to see. The Southern States are developed and are further developing whereas the BIMARU states remain as they are.

Further, we find that the ***FCRA is inconsistent with the Reserve Bank Guidelines.*** The Reserve Bank has a rule that a part (15%) of the foreign aid can kept can be kept in foreign currency in a separate bank account. But this is not permitted under the FCRA. This causes heavy losses to the organising because of continuous depreciation of the Indian currency, this also violates the Reserve bank directives.

***Therefore, we demand in the name of the dignity of the citizens and security of our country, that the Foreign Contribution Regulation Act be REPEALED forthwith.***

We are hopeful that you will use your good offices for ***repeal of the FCRA.***

Sincerely yours

Re: Attack on Sundarlal Bahuguna

Dear Shri Rajnath Singh,

Namaskar.

We came to know of the attack on Sundarlal Bahuguna and his wife Vimala Bahuguna on 25.10.2000 at Tehri in the district of Tehri Garhwal, Uttar Pradesh. This took place in the morning hours on the banks of Bhagirathi River.

As you are aware, he has been involved in the protest over construction of Tehri Dam. There is apprehension that the pro dam lobby has masterminded this attack to remove any obstacle in the process of completing this dam. The way in which the person who attacked was released raises serious doubts about the real motive behind the attack. We request you to take immediate action on this regard and constitute an inquiry into the attack through CBI (Central Bureau of Investigation).

It is essential to bring out the role of vested interests in this attack on the well-known personality and environmentalist like Sundarlal Bahuguna. We hope you will take immediate action on this issue at the earliest.

Awaiting your reply,

With best wishes,

Re: Release of Funds for Community Health Centre (in Savli, Gund, Taluk: Joida,  
Uttra Kannda district. Karnataka)

Dear Shri

Parisara Samrakshana Kendra is a voluntary organisation involved in protection of environment. We lunched *Appiko (Chipko) Andolan* to save forests in South India. We are also involved in rural development work as well as work to provide health care to villagers.

We request you to release funds from your MP grant for construction of Community Health Centre at *Savli, Gund*. We enclose the details for your reference.

We hope you will consider this request favorably.

### Community Health Centre

*Gund* is a remote hilly region in Joida taluka, Uttara Kannada district, Karnataka. This is part of Western Ghats with sparse population. People live in small hamlets in midst of forest valleys. There are many forest dwelling tribes like *Kunubis*, *Siddis* and *Goulis*.

**Need:** Availability of medical care is non-existent in these region, the nearest hospital is at Dandeli, 35 km from Gund. There is an urgent need for a Health Centre in Gund to meet the health care of poorest groups. This will enable the local people to avail the health services at their doorsteps.

**Plan:** The idea is to build a Community Health Centre (CHC) at *Savli* in Gund region. This centre would provide the basic health facilities to villagers. This will also have amenities for patients to stay over night. There will be a small clinic with medicines for common diseases as well as to prevent the disease.

**Objective:** The objective of the health centre is

1. To establish a centre in remote region.
2. To provide basic health facilities to forest dwellers, who are not in position to pay towards the costs.
3. To provide treatment for common diseases.
4. The centre would be adopt preventive measures to combact health problems.

**Costs:** The establishment of CHC would facilitate the process of providing health security to common people. We envisage following costs.

Cost of building Six lakhs (Rs.6, 00,000)

This would contain a hall, a clinic and toilet facility. The building will be contracted with appropriate local materials.

RE: Submission for Environmental Public Hearing to be held on March 23, 2015  
under EIA Notification 2006 for Tadri Green field Port Project.

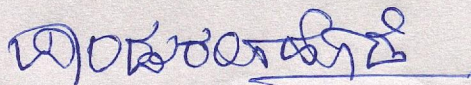

Respected Sir,

We are an environmental Organisation working in the District for past 35 years.

Aghanashini Estuary in which the proposed Tadri Port is located is one of the most  
Ecologically fragile and undisturbed regions in entire Western Ghats.

There are numerous technical and legal issues in EIA prepared by NEERI that makes the  
Public Hearing illegal. Please find attached submission on the EIA for Tadri Port Project.

Yours sincerely,
