My dear Prof. Krishnan,

You probably know that Shantihal Banerji and myself are both at Columbia. I heard about your coming to New York on several occasions but each time too late.

Now I learn you are coming again about 10th ~~to~~ November. If you would let me know where you are going to stay or where & when I can meet you, I would very much like to ^{see} ~~meet~~ you. Shantihal is my neighbour & I will let him know too.

with kindest regards,

Sincerely yours
Jagdish Shankar.
