Dr. Haridas Bagchi, M.A., Ph.D.

Lecturer, Calcutta University.

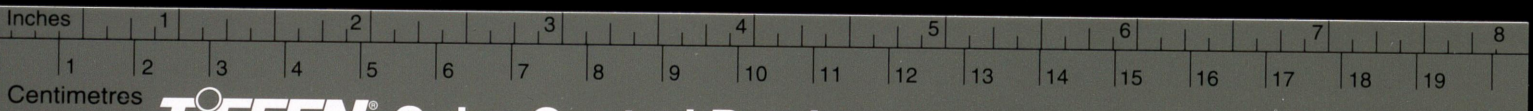

43/2 Harrison Road,

Dated, Calcutta, the 10th Jan'22.

Mr. B.S. Madhava Rao, an ex-student of mine, passed the  
M.Sc. very creditably from the Calcutta University. He has  
exceptional mathematical abilities, and a very great capacity  
for independent research work. I feel certain that, with proper  
facilities, he will turn out to be an eminent investigator in  
his subject.
