Dear Professor Madhava Rao,

What better present could I expect for the New Year than a set of reprints of your papers. Some of these I can certainly follow. In fact I started going through them soon after the packet was delivered to me yesterday. And I enjoyed them.

I shall shortly send you reprints of some of my papers published recently.

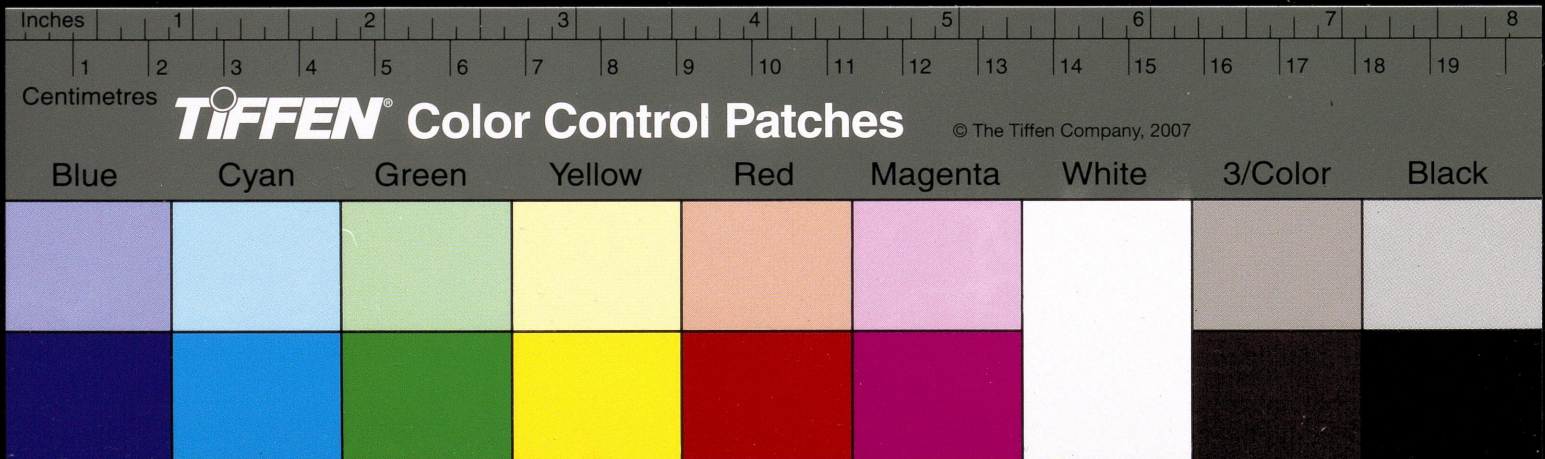

I hope you are keeping good health and every one in the family is doing fine.

With best regards and wishes for a Happy and prosperous New Year,

Dear Professor Madhava Rao,

Thank you for your letter. I am forwarding the form regarding the election of Prof. D.Suryanarayana as a Fellow of the INSA to Prof. Auluck as desired.

I am sorry we have not been able to find the book on Magic Squares this far in any Library or Bookshop here or at Lucknow. But the efforts are continuing.

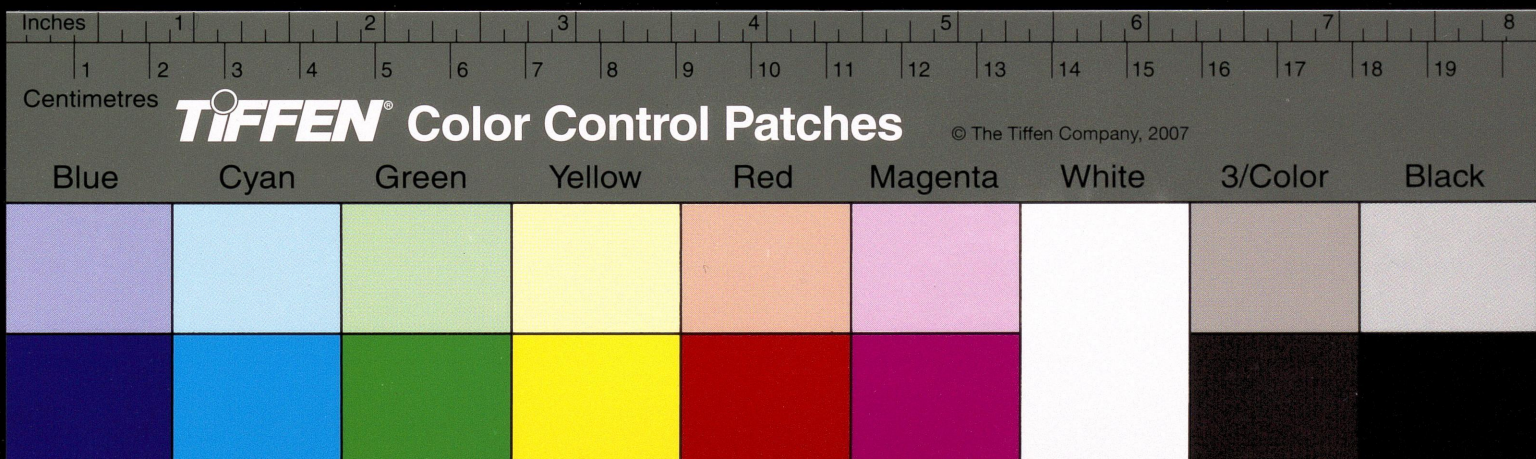

Some body tells me that a copy may be available at the Library of the Sanskrit Vidyapith at Varanasi but I do not know any one there. Please write to some one there if you know any one.

With kindest regards and best wishes;

Yours affectionately,

My grandfather

The flood-waters reached within six feet of our door-steps and a boat was plying within a hundred yards of our house. God was kind to us and the flood waters receded after a couple of days of worry.
