Respected Sir,

11 DEC 1953

I am sending herewith the details about the construction of the ^{solution of} cubic equation, which you so kindly agreed to get prepared in your work shop. The name of the work for which I have got this copied is

Mathematical Models

By
H. Martyn Cundy & A.P. Rollett
(Oxford University Press).

I shall be grateful for this help.

With respects

Yours V. sincerely
P. L. Bhatnagar
