Dear Dr Rao,

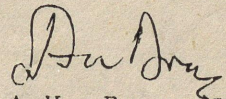

Please refer to our letter dated 5th January, 1985 and subsequent reminders requesting you to send a brief write-up about your research activities (about 4-5 pages with upto 15 selected references of your best papers and suitably titled) to be included in the publications entitled 'Profiles in the Scientific Research : Contributions of the Fellows'.

The manuscripts will be edited to ensure uniformity and style. You will be glad to know that more than 60% of the Fellowship has already sent their write-ups. From our records we find that you have not yet sent your contributions. I hope you will appreciate that the volume will be incomplete without your 'profile'.

I shall be obliged if you can expedite sending your contribution early, latest by the November 15, the date we intend sending the manuscript to the press.

With best regards:

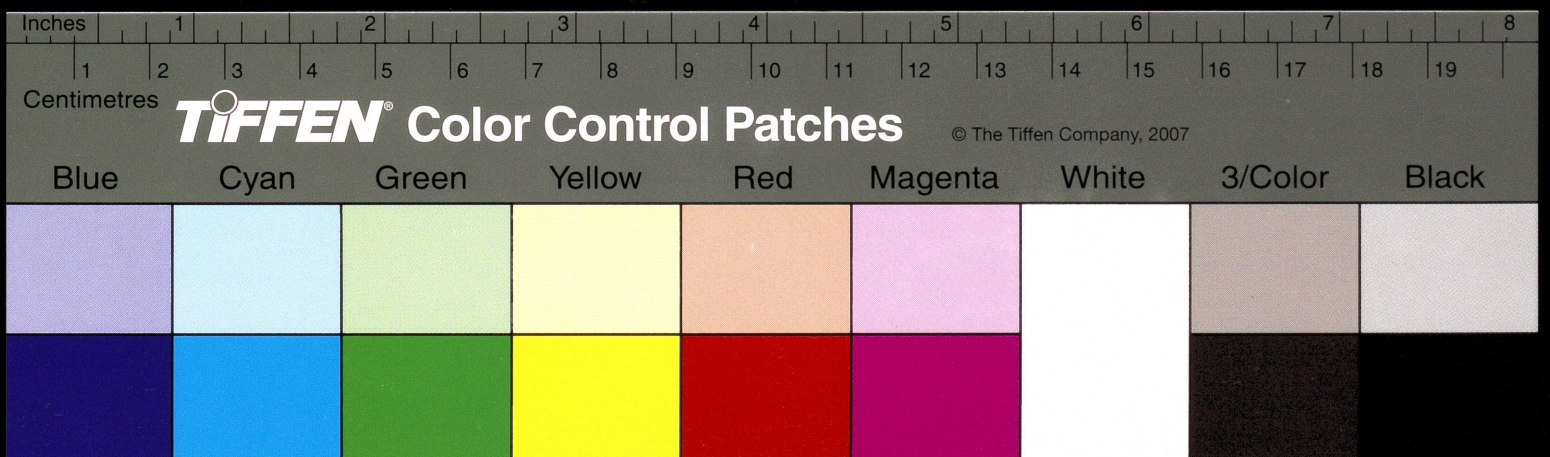

Yours sincerely

(A.K. Bose)

All Fellows of the
Indian National Science Academy

Sir,

The Academy's Rule 16 (f) related to provision of gratis copies of INSA publications to the Fellows has been amended as under at the last Council Meeting :

"To receive gratis one copy of any one of the four Journals viz., *Proceedings of the Indian National Science Academy Part A, Proceedings of the Indian National Science Academy Part B, Indian Journal of Pure and Applied Mathematics and Indian Journal of History of Science.* In addition, Memoirs of INSA Fellows and copies of such other INSA publications which the Council may decide from time to time may be provided to the Fellows at concessional rates."

In view of the above, a Fellow of INSA will henceforth be entitled to receive gratis one out of four journals published by the Indian National Science Academy. He may also subscribe, at half the price, any one or all other journals provided a written request is received before November 30, 1985. A Fellow is entitled to purchase the Status Reports and Perspectives also at half the price quoted in the enclosed catalogue. This concession will be valid for next three months for Biographical Memoirs, Medal Lectures and all other INSA Publications also included in the catalogue. The concession, however, is not provided for 'Biographical Notes' which has been already distributed free to all Fellows.

Kindly fill up the enclosed proforma giving your choice of the journal that you will like to receive gratis, the journal (s) and the Status Reports/Perspectives/or any other publication you desire to have at the concessional price and return the proforma to us early latest by 30 November 1985. The supply of journals under the revised Rule would commence from January 1986.

Yours faithfully
