Dear Dr. Krishnan:

We heard in Boulder at the URSC meetings that you have not come because you were ill. We only hope that you are feeling well again & write you to wish you a quick recovery from your illness.

Of course we were very sorry to miss seeing you in the USA & we hope that you will be able soon to come. If so, please let us know & we would be delighted if you could spend a little time in Washington & visit us & maybe give a talk in the Bureau.

We remember your hospitality & kindness in Delhi with the greatest pleasure & wish that we could come again soon to your wonderful country.

With best wishes for a very good health & kindest regards

respectfully yours,
C. & L. Marton
