

Paddy Avenue Research Centre,
Tiruvannam, Tamil Nadu

12/12/78

My dear Sundaram — It has been raining all the time in this part of the country.
Kanti
It has been affecting my health; but anyway, I am carrying on.

I have been heavily involved in various directions. I am going on organising and attending meetings. Judging from the trends, there is more work ahead of me.

Looking forward to meeting you all on the 21st evening.

Yours truly
G. Subramanian
