My dear *Dr. Siddhartha,*

Thank you for your D.O.No. Adv(V)/TPIC/84 dated 29th June, 1984, with which you have sent me copies of some of the papers presented at the round table meeting on guidelines for science and technology policy for development, held from May 4-8, 1984 in Beijing, China. I had separately received some of the papers from the concerned authors; but I am glad to have this set from you as it includes ones that I have not seen. You will notice that some of the Chinese papers almost describe the Indian situation!

With kind regards,

Yours sincerely,

M G K Menon
