Dear Sir,

Mr. R.V. Karandikar, a candidate for an I.C.I. Fellowship at the University of Oxford, has stated in his application that you would be willing to act as a referee.

The members of the Committee on I.C.I. Fellowships would be most grateful if you could let them have a confidential statement of his qualifications for it as soon as possible.

Yours faithfully,

P.S. If you are having your reply to this letter typed it would be very helpful if you could send eight copies to save copying in this office.

Sir K.S. Krishnan, B.Sc., F.R.S.,
Director, National Physical Laboratory,
