Dear Dr. Asheesh Pittie,
Greetings,

4/11
2005

Recently, I have received a copy of your research paper entitled, "A Bibliography of the Anatidae of South Asia," published in the Buceros. I congratulate you for publishing this much needed invaluable paper.

However I find two errors in the paper or misquoted references. So far I have not published anything in Wetlands + Waterfowl Newsletter. [i.e. pages 65 and 77 of your research paper]

Will you kindly check the above informations again and let me know the true fact.

Thanking you

Yours sincerely,
V. C. Ambedkar

Dear Sir,

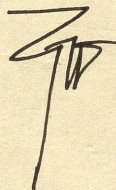

I hope you are well and keeping good health.

Thank you for your letter and the sentiments expressed therein. I am truly honoured.

I checked up what you said and found that there is indeed a paper written by you in the *Wetlands & Waterfowl Newsletter*. I am enclosing a Xerox copy for your records.

With best wishes and regards,

Yours truly,
