Respected Sir,

I had written to you a letter requesting you to guide me to obtain a fellowship for training abroad in Civil Engineering Construction works ^{my Concrete Technology, Foundation Engg. etc.}. You had also promised during my interview with you at your residence that you would be sending necessary information and doing the needful in the matter. I shall be deeply grateful to you if you kindly bless me.

With Best Regards,

Yours faithfully,

16/5/61
