Respected Sir,

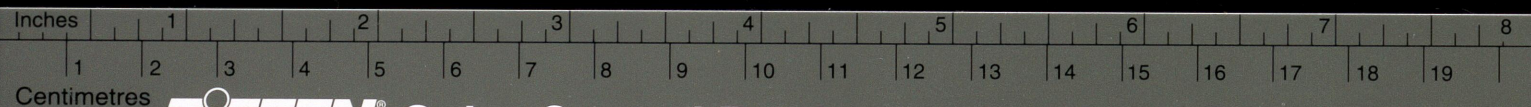

I am happy to inform you that I am leaving for USA under the India Wheat Loan Educational Exchange Program for a period of eight months. I will be leaving Bangalore on the 14th instant by plane to Bombay, and the same night arrive at Pimpri where I will be staying with Drs M.J.Thirumalachar and K.S.Gopalakrishnan. On the 15th morning I intend visiting all my old friends in Poona, apart from paying my respects both to your good self and to Prof S.P.Agharkar who has been keeping indifferent health for sometime past now. I will be calling on you sometime between 7 and 9 a.m on the 15th, and hope you will be able to spare some time for me. I am expected to leave Bombay on 16th by 6 p.m and reach Washington via London on 18th at about 1-40 p.m. There I have to contact the Wheat Loan authorities and finalise my entire program before I proceed to Chicago for my first six month assignment.

More when we meet, and with respectful regards,

Respectfully yours,

Raji
