(An autonomous Centre aided by the Ministry of Environment & Forests, Government of India)

Dear Sir,

Please find enclosed 25 posters on Lesser Florican and Grassland Conservation for distribution in villages around important florican areas in your district. Please do write and let me know in which areas these have been distributed and when these have been exhausted, so that more can be sent to you.

I do hope that by now you must have received the photograph of a male Lesser Florican for use in articles and in advertisements for its conservation. Please do send me a copy of all such materials that have been published.

With best wishes
Yours sincerely

Ravi Sankaran
