Dear Sir Krishnan,

I thank you very much for your kind telegram and letter agreeing to accept membership in our Technical Advisory Panel. I give you this assurance that I shall not indent on your valuable time very much. The Syllabuses, when prepared, will be sent to you and it will suffice if you just jot down on the copies themselves any suggestions, additions or modifications you might wish to make. This kind of help and advice from you would be quite enough. It is not proposed to hold any meetings of the Members of the Technical Advisory Panel, and it will do if I get their advice by letter.

On your way to Bangalore, I shall be very grateful if you can find it possible to just pay us a visit and give a talk to the students, even if it be for 5 minutes. Dr. S.V. Anantakrishnan (of the Madras Christian College) who is my son-in-law also joins me in sending you this special request. If I know your programme, I can fix up any hour on any day for your visit. Though there may not be much to see at present here, your

P.T.O.

visit will give us a fillip and it will be a great satisfaction to the students and the staff.

With best regards,

Yours sincerely,

*M.K. Ranganathan*

(M.K. RANGANATHAN)  
PRINCIPAL.

Sir K.S. Krishnan, F.R.S.,  
Director, National Physics  
Laboratory of India,  
Hillside Road,  
New Delhi.
