Dear Dr. Krishnaja:

Secretary-General
T. KADA
Mishima

I am glad to inform you that your paper entitled "Induction of chromosome aberrations in fish (Boleophthalmus dussumieri) following in vivo exposure to Mitomycin C and heavy metals Mercury, Selenium and Chromium" by A. P. Krishnaja and M. S. Rege has been accepted for presentation at the Third International Conference on Environmental Mutagens to be held on September 21 to 27, 1981 in Tokyo, Mishima and Kyoto, Japan. The details of the program will be sent to you later.
