Dear Shri Jashi,

So many thanks for your kind reply & Xerox-copies of articles from Current Science.

I was bit busy, as the result of my promotion to the cadre of Administrative Officer, was declared & Posting was awaited.

Now I am posted in our Data Processing Dept of Satara Divisional Office. I have taken charge of New Assignment on 17th only!

I had written one letter to K. Gaur, however yet to receive a reply. Meantime, I had informed my relatives in Bombay about Prediction of Earthquake in some Arab Countries (Rusna) & the earthquakes in Greece & Russia have proved it!

We were waiting eagerly for  
Monsoon. Now it has reached almost  
all the places in the country. It's  
sovereign in Northern parts of India,  
Assam, Meghalaya etc. & I am  
afraid of some typhoons in these  
regions in the month of July/August.

\* Mr. Vinod K. Gaur is in Bangalore only,  
I therefore request you to please  
contact him with a request to help  
me.

I am very sorry for delay in writing to  
you, I hope you will kindly excuse me  
for the same. I assure you that I  
shall immediately let you know, anything  
about my Parichian & won't forget to  
acknowledge.

Bangalore

Yours Sincerely  
Datar

Today morning T.V. news is  
that Tsomans N.P. 6. an Andazpath  
Coastal live. In my opinion, its  
only due to sudden drop in temp due to  
monsoon.
