

a conference of Unit Teachers,  
in the first instance of Mysore  
Univ, after the April exam  
& the conference be held in  
the Central College.

e.g. we ought, I think, to  
raise forth <sup>strongly</sup> our feeling that no  
non-Unit man (British  
or outsider) be brought as V.C.  
If Unit men are <sup>qualified</sup> to administer  
on their planning, how are they  
incapable of administering their  
university?

with cordial regards

Yours very sincerely
