Maheeranipalayam  
Vizagapatam  
10th July 40.

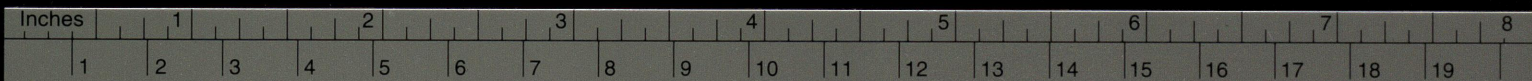

My dear Madhe,

I was delighted to  
see the note which you so kindly  
sent me through Mr. Venkatesh Chalam.  
He is doing Research under  
Dr. N. S. Nagendra Nath.

Although our interests  
are divergent, there is some thing  
of interest. For instance you can  
tell me about your interesting  
progress. You could send me a  
~~your~~ copy of your thesis.

However, I am de-  
lighted to hear from you -

Yours sincerely,  
U. Sathya Narayana
