No. 8-284/85FFC
Government of India
Ministry of Environment & Forests
(Department of Environment Forests & Wildlife)

B-Block, CGO Complex, Lodhi Road,
New Delhi, dated the 5th May, 1987

To,

The Secretary,
A.H. Fisheries & Forest Department,
Government of Karnataka,
Bangalore.

Sub: Release of 1360 ha. of forest land in Uttarkannada district for implementation of Kodalalli Project (KHEP-IIInd Stage)

I am directed to refer to your letter No. PFD 242 FGL 83 dated 20.7.85 on the above mentioned subject seeking prior approval of the Central Government under Section 2 of the Forest (Conservation) Act, 1980.

The proposal has been examined by the Advisory Committee constituted by the Central Government under Section 3 of the aforesaid Act.

After careful consideration of the proposal, the Central Government hereby conveys its approval for release of 1360 ha of forest land in Uttarkannada district for implementation of Kodalalli Project (KHEP-IIInd Stage). The break-up of the area released is given below:

i) Submersion area	1293 ha.
ii) Dam, Power House and other structures	13 ha.
iii) Access and deviation roads	28 ha.
iv) Field and site office and dump area	8 ha.
v) Transmission lines for construction power	18 ha. ✓✓

The above diversion of forest land is subject to the following conditions:

- i) Legal status of land will remain unchanged.
- ii) Oustees will be rehabilitated in accordance with the plan submitted by the State Government.
- iii) Compensatory afforestation will be raised in degraded forests over twice the area to be diverted

.....2.

- iv) The fuelwood will be provided to construction labour and staff free of cost by the project authorities or its cost deducted from the salaries and wages to be paid to staff and labour.
- v) A Monitoring Committee will be constituted with a nominee of the Department of Environment and Forests to oversee that the stipulations including those pertaining to compensatory plantations are carried out.
- vi) No further projects involving diversion of forests will be undertaken on Kalinadi or its tributaries.

Reasons for violation of the Forest (Conservation) Act, 1980 may also be explained to this Department. The State Government is also advised not to indulge in any such violation in future.

Yours faithfully,

(R.S. Bisht)
Under Secretary to the Govt. of India

New Delhi.

PREAMBLE:

The Chief Conservator of Forests (G1) Bangalore,
his letter dated 4.6.1985 read (i) above has stated that the
Karnataka Power Corporation Ltd., Bangalore has requested for
release of 1610 ha. of forest land in Karwar, Haliyal and Yellapur
Forest Divisions, Uttara-Kannada Dist. for construction of
Kodasalli Dam, Power House etc., under Kalinadi Hydro Electric
Project Stage-II.

In Govt. letter dated 20.7.1985 read (ii) above, the
Govt. of India was requested to convey their approval for the
use of 1610 ha. of forest land for the aforesaid purpose.

Further, in D.O. letters dated 9.4.1986 and 9.3.1987 read
(iii) above, Govt. had forwarded a comprehensive proposal for
release of 1425 hectares of forest land in regard to the area
being under submersion, Iga, Township, etc., for the Project
and sent revised proposal for compensatory plantation scheme for
raising 2852 ha. under section (2) of the Forest Conservation
Act, 1980.

Govt. of India in their letter dated 5.5.1987 read (iv)
have conveyed their approval for release of 1360 hectare
for submergence, 13 ha. for Dam, Power House and other
and 28 ha. for Access and deviation roads, 8 ha. for Fl.
office and dump area and 18 ha. for transmission lines
construction Power) of forest land for implementation of

Project (KHEP - IIInd stage) in Uttara Kannada Dist. under section (2) of the Forest Conservation Act, 1980 subject to conditions as indicated therein.

// O R D E R //

In the circumstances, Govt. are pleased to accord sanction for the release of 1350 hectare (one thousand and three hundred sixty only) (1293 hectare for submergence, 13 ha. for Dam, Power house and other structures, and 28 ha. for Access and deviation roads, 8 ha. for Field and site office and dump area, and 18ha. for transmission lines for construction power) of Reserve Forest Lands in Karwar, Haliyal and Yellapur Forest Divisions, Uttara-Kannada District for construction of Kodalalli Project under Kalinadi Hydro-Electric Project Stage- II in favour of the Karnataka Power Corporation Ltd., Bangalore, subject to the following conditions:-

- (i) The legal status of forest land to remain unchanged.
- (ii) Custeers will be rehabilitated in accordance with the plan already submitted by the Karnataka Power Corporation Ltd.,
- (iii) Compensatory afforestation shall be raised in Reserve Forests, in Uttara-Kannada Dist., over twice the area to be diverted.
- (iv) The fuelwood shall be provided to construction labour and staff free of cost by the project authority. The cost deducted from the salaries and wages to be paid to staff and labour.
- (v) A monitoring committee shall be constituted with a nominee of the Department of Environment and Forests, to oversee that the stipulations including those pertaining to compensatory plantations are carried out.
- (vi) No further projects involving diversion of forests, will be undertaken on Kalinadi or its tributaries.

By order and in the name of the
Governor of Karnataka,

Sub: Release of 1360 ha. of forest land in Uttarkannada district for implementation of Kodalalli Project (KHEP-IIInd Stage)

I am directed to refer to your letter No. PFD 242 FGL 83 dated 20.7.85 on the above mentioned subject seeking prior approval of the Central Government under Section 2 of the Forest (Conservation) Act, 1980.

The proposal has been examined by the Advisory Committee constituted by the Central Government under Section 3 of the aforesaid Act.

After careful consideration of the proposal, the Central Government hereby conveys its approval for release of 1360 ha of forest land in Uttarkannada district for implementation of Kodalalli Project (KHEP-IIInd Stage). The break-up of the area released is given below:

i) Submersion area	1293 ha.
ii) Dam, Power House and other structures	13 ha.
iii) Access and deviation roads	28 ha.
iv) Field and site office and dump area	8 ha.
v) Transmission lines for construction power	18 ha. ✓✓

The above diversion of forest land is subject to the following conditions:

- i) Legal status of land will remain unchanged.
- ii) Oustees will be rehabilitated in accordance with the plan submitted by the State Government.
- iii) Compensatory afforestation will be raised in degraded forests over twice the area to be diverted

.....2.

iv) The fuelwood will be provided to construction labour and staff free of cost by the project authorities or its cost deducted from the salaries and wages to be paid to staff and labour.

v) A Monitoring Committee will be constituted with a nominee of the Department of Environment and Forests to oversee that the stipulations including those pertaining to compensatory plantations are carried out.

vi) No further projects involving diversion of forests will be undertaken on Kalinadi or its tributaries.

Reasons for violation of the Forest (Conservation) Act, 1980 may also be explained to this Department. The State Government is also advised not to indulge in any such violation in future.
