To
Mr A. Sonakhia, IFS
Conservator of Forests (WL)
Madhya Pradesh Forest Department
Van Bhavan, Tulsi Nagar
Bhopal 462 003

Dear Sir,

Further to our initiative on conservation of the Lesser Florican and *grass bheeds* that commenced last year, I have sent 200 posters on Lesser Florican and Grassland Conservation for distribution in all Divisional, Range and Section offices and in villages around important florican areas in Ratlam, Mandsaur, Dhar, Jhabua, Indore and Ujjain districts of Madhya Pradesh. I request you to please see to it that these are circulated at the earliest and pasted at prominent locations to ensure widespread publicity this monsoon itself. Please do write to me if more needs to be sent.

I hope to be in Bhopal by mid August, and look forward to meeting you then.

With best wishes
Yours sincerely

R Sankaran
