Dear Dr. Siddhartha

On behalf of Prof. Yash Pal and my other colleagues in DST who participated in the Brain Storming Session on Technology Missions, I express my profound thanks to you for sparing your valuable time and to give us your support. Your kind attention is drawn to pages 5 to 7 where Action Points emerged in the meeting are mentioned. You are requested kindly to send your inputs. I look forward to the chance for having discussions with you again on matters related to formulation and carrying out of Technology Missions.

With regards,

Yours sincerely,

V.K. Misra
