

PRIME MINISTER'S HOUSE,
NEW DELHI.

29th Seph 1957

My dear Dr Krishnan,

I wanted to come and see you ; but I hesitated to be the cause of any possible strain on you by a visitation from me.

This is to introduce to you the young boy Rajagopalan about whom P M spoke to you recently. P M told me that you expressed a wish to see Rajagopalan.

With kind regards,

Yours Very Sincerely

M. M. Malaviya
