My dear Prof. Krishnan,

I was thinking of writing to you to congratulate you on the award of Bhatnagar prize of 10000 rupees, when I saw it in the papers. But as I was busy I did not do it and somehow postponed writing. Surprisingly, both my son and I saw you in our dream last night and I am hastening to send ~~om~~ felicitations on this award. In my dream last night I saw you adorned with two gold medals. The award is more substantial than these. I also read with deep interest the excellent sketch in illustrated weekly about you and was naturally very happy to go through that.

With my Namaskars to you and Lady Krishnan and best wishes to your children.

Yours affectionately,  
*C. Mahadevan*  
(C. Mahadevan)

P.S. My wife says that my son and myself have seen you in the dream means a call from Sri Venkateswara of Tirupathi! *we shall go some time soon*
