"RANGA VILAS"

TIRUVARUR

11th May 1949.

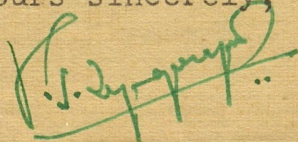

My dear Friend,

I am indeed very grateful to you for your kind letter and must thank you very much for the honour you have done me in accepting our invitation to preside over the Science Session of the Tamil Festival. Everyone of those who attended the conference spoke very highly and appreciatively of the speech that you made on the occasion and they really felt that the prestige of the conference was raised to a very great extent by the presence and the participation of an eminent Scientist like yourself. Kindly accept our grateful thanks for all the trouble that you had taken to be present on the occasion.

I am arranging to get copies of the photographs of yourself and Mr. Reddiar and also my photo. As soon as the copies are ready I shall forward the same to you.

Thanking you and with best regards,

Yours sincerely,

Sri K.S.Krishnan,
Director,

National Physical Laboratory,
of India,
University Buildings,
New Delhi.
