Dear Dr Krishnan,

I should like to say, as I leave India, how very much I appreciated meeting you last Saturday, and how greatly I enjoyed our talk.

It was very good of you to give up so much of your valuable time to show us something of what you are doing at your Laboratory, which we all appreciated.

With many thanks, and looking forward to renewing our acquaintance at some future time,

Yours sincerely,

Sue Page

Dr K.S. Krishnan, F.R.S.,
Director,

National Physical Laboratory,
NEW DELHI.
