Dear Friend

In memory of our Reverend Elder Brother, ^{Late} Dr. Bimal Chandra Ghosh we are trying to compile and publish a biography depicting his glorious life.

The intended biography will contain articles of friends and eminent persons who knew him well.

As you perhaps know that ~~well~~ he was the late principal of Vidyavagar College, and was well connected with several Institutions in Calcutta. He was also a leading Physician of Calcutta.

For several years he had been the Councillor & Alder man of Calcutta Corporation. As you are a wide known Scientist you may have acquaintance with him and as a token of love and appreciation we earnestly request you to contribute something about him from your valuable pen which will enhance the beauty of the said biography indeed.

Though we fully know that your precious

time is fully and previously engaged with -
Hoping to be excused for the trouble.

With best regards - your Sincerely
