My dear Baldev,

As you might be aware, the 1990 Kalinga Prize for popularising science has been awarded to the Chairman of the Pakistan Science Foundation, Professor Mishban-ud-din Shami.

I write to suggest that the ZSF invite Prof. Shami to deliver the next Zaheer Science Foundation Lecture, on a subject of his choice within the broad theme of "co-operation amongst the scientific communities of South Asia".

With regards,

Yours sincerely,

Dr. V. Siddhartha
