Dear Professor Krishnan:

Fan and I hope that you had a pleasant journey home, and that by now you have recovered from the rigors of travelling. We have opened a joint checking account with the money that you left here, and the balance is \$ 887. 43. I have gotten the type of check book that will allow me to keep the account accurately balanced at all times, and I will send you an accounting from time to time. I have just been able to embark on the matter of the literature that you wish sent to you, and I shall endeavor to conclude it in a short time.

Please do not hesitate to let me know if there is anything further that you wish to have taken care of here.

Very best wishes from both Fan and myself for a very happy New Year.

Sincerely yours,

Rose Finkelstein
