

J. BHIMASENACHAR

WALTAIR
17.6.48.

Dear Sir,

I am writing to you in continuation of my previous letter. The university has permitted me to accept the award of the I. C. I. Fellowship. subject to the conditions laid in the proceedings of the Syndicate a copy of which I have enclosed for your information.

I have started on the work from 16.6.48. I hope I have your permission to inflict on you periodical reports of my progress? What worries me just at present is the prospect of Prof. S. Bhagavantam leaving this place. I am quite sure you know very much more about this than I do and therefore it is not for me to write you the whys and what-fors of this contingency.

With kind regards.

Yours sincerely
J. Bhimaseenachar

To,

Prof. Sir K. S. Krishnan, D. Sc., F. R. S.,

Director,
National Physical Laboratories,
University Buildings,
Delhi
