Dear Sir,

I enclose herewith, for favor of your kind perusal, a copy of the printed report of my recent N. Indian tour.

I am thankful to you for your help. The conditions under which I came to New Delhi were perhaps not too favourable. But, given your support, I hope to avail a better opportunity sometime in March or April.

I shall be thankful if you can spare some thought over this matter and let me know your reaction. With regards,
Yours sincerely,
R. Srinivasachari
