

INDIAN PHYSICAL SOCIETY

92, UPPER CIRCULAR ROAD
CALCUTTA

Sept 18th '34.

Dear Dr. Krishnan,

I owe you an apology for the delay in sending you the attached letter from the General Secretary of the Society. This letter together with four other similar ones got entrapped in some other papers and have been lying in the shelf for some time. I have discovered my mistake today, and shall be obliged if you do not mind the delay please.

Yours truly,

D. P. Raychaudhuri.
