

Central Electrochemical Research Institute
ALAGAPPA P.O.

KARAIKUDI Jn.

Southern Railway

25th January, 1960

Respected Sir:

As I have told you in person in Bombay, I have applied for the post of Senior Scientific Officer, Grade I in this Institute for which an advertisement appeared last month and I have mentioned you as one of the persons to whom reference can be made regarding me. I am sending herewith copy of a note on my research experience and specialised training which I attached along with the application. The post advertised relates to corrosion research and I am looking after corrosion research in this Institute. As I have pointed out in the application that I have been in the grade of Senior Scientific Officer, Grade II for 8 years ($4\frac{1}{2}$ years at Kanpur and $3\frac{1}{2}$ years at Karaikudi) and that I am already drawing Rs.620/- as basic pay. I have, ~~therefore~~ ^{also} pointed out that I will be benefitted only if I am given higher starting salary and I have suggested Rs.1000/-. I hope you will be able to recommend my case.

I am sorry that I should have to trouble you on a personal matter.

With best regards,

Yours sincerely,

K. S. Rajagopalan

(K.S. Rajagopalan)
