M. A., Ph. D. (Lond.)
Principal

HINDU COLLEGE
MORADABAD.

Date Nov. 24, 1957.

My dear Krishna Sengal,

The University Grants Commission has advertised for three posts of Assistant Education Officers in the grade 350-30-590. The first of these posts, A.E.O. (General), will, I think, suit me and I have the necessary qualifications mentioned therein, namely, academic degrees, teaching experience, research and educational administration. If I get a start of Rs 500 plus allowances I shall be happy, and this also will be within the rules of pay for retired officers being reemployed.

As the application will have to be sent through the Management of this college, who are my employers, before doing so I should like to know my chances, particularly to know if retired government officers will be appointed and if a higher ^{initial} salary can be given.

The advt. coming as it does so soon after my meeting you, I feel there is something in it and I do not want to miss this opportunity.

I seek your help and advice in the matter. I hope your health is all right now. With kind regards,

Yours affectionately
A. S. Ganesan
