Dear Dr. Joshi,

Thank you very much for your letter dated 11.3.92. I will be happy to undertake a short visit to USA this summer as suggested by Prof. Pasupathy. I am writing to him independently on the address given by you. But you also kindly send an e-mail message to him to the effect that he should make effort on my behalf for a visit to USA for a period of upto a couple of months starting from second week of July. Some adjustment <sup>in timing</sup> can also be made depending upon the convenience of hosts.

Thanking you and with best regards,

Yours sincerely  
J. Singh
