Personal Privately

My dear Professor Kishore,

Pushpa wants very much to join the new Delhi <sup>Women's</sup> University College. There is an advertisement for two lecturers in English.

Could she get one of the jobs? Pushpa's work in the English Dept since 1946, has been highly spoken of by the V.C. & her Principals. She has been teaching English to B.A. classes & is very popular in the college

Dr. Bhattacharya is an old  
friend of mine. If he and  
you can recommend Pustpa  
it will be good. I can  
ask Sri. Sri. Sri. Ismail  
to write to Sri. Maurice  
Guey, if you deem it  
proper or Sri. V. T. K. or Sharmas <sup>Chetti</sup>.  
Pustpa has the necessary  
qualifications & teaching  
experience. She stood  
first among the girls in  
M. A. & was selected for  
the appointment here.  
She won the Gold medal  
for standing first in music  
in B. A. On hearing from  
you, after ascertaining  
from the head of the Dept.  
of English & the Principal, of the
