Dear Professor Krishnan,

I just receive your kind letter of the 23^d instant
for which I thank you. I am glad to hear
you had a good time in Liège during the
short sojourn you made.

I hope you will enjoy your trip through
Europe and back to India.

When you need crystals of any kind we prepared,
please, ask me. It will be a pleasure for me
to send them to you as soon as possible.

Very sincerely yours
W. Stobbs
