Dear Sir,

My Son SETHURAMAN (8)
has joined the Lawrence School,
LOVEDALE (Nalgiris) on 2-3-56.
He gets Rs. 1450/- per annum
by way of Govt. of India merit
Scholarship tenable at Public Schools.

You may remember that
you helped me with a donation
of Rs. 10/- when I had no money
to defray the trainage to Lovedale,
to escort the child.

I felt it my duty to
appraise you of the position in
view of your sympathetic interest
in my welfare & hence this note.
with best regards,

P.S.

I also enclose copies
letters from Mrs. Hoag, New J.N. Masphair

I remain,
Yours Sincerely,

Dear Mr. Venkataseshan,

Your letter to my husband telling of Sethuraman's success
in gaining a Govt. of India merit Scholarship is welcome
news. I am very glad that you have shared this ~~xxx~~ good news
with us. Letters from his old students telling of their fami-
lies and of themselves always meant a lot to my husband and of
course to me.

I do not know if you ^{had} heard that my husband had had
years of weakness. We came here in 1948 and I know you have not
heard that on December 31st 1954 he left behind him pain and
weariness and is now radiant in the home his Heavenly Father has
prepared for all who love Him.

It is nice to hear that you have often thought of him thro
those years. I can assure that his mind and his prayers were
daily with his old students wherever they are and that for them
he asked God's blessing in their homes and in their daily work.

With all good wishes and warmest remembrances to you both and
to Sethuraman. May God bless you each one and make you a blessing
now and always.

Ever yours,

Sd. Mary Hogg.

Dear Mr. Venkataseshan,

Thanks for your letter of May 25. I am glad
that your boy has had this success and that he is in Lawrence-
School. I was visiting it the other day just before your
letter came and was very favourably impressed by what I saw.
I am glad also that you should wish to share your joy with your
old professor.

All good wishes,

Yours Sincerely,

Sd. J.R. MacPhail.
