Dear Doctor,

Namaskaram. I hope you have returned from Japan. We cannot sufficiently thank for your kindness shown to us all especially your writing the foreword in the midst of your pressing engagements. The Dharmapuram mutt and Miss Rajeswari are so glad and grateful.

"Enston kanda katchi" is a publication of the Chintadripet High School. Orders are being received. If you could send your correction we shall all be grateful.

Thanking you,

Yours Sincerely

T. P. Meenakshisundaran
