BHAVAN,
Dahamu (Dist. Thana)

June 1, 1955.

Dear Dr. Krishnan,

I am very thankful to you for deputing Dr. Khanna for demonstrating the evaporation of Neera by solar energy. He had brought with him 12 frames and 40 spare mirrors for purposes of the demonstration. On our request, he has left these articles at our School, in order to enable us to pursue the experiments. Some of the staff of our Bharatiya Tad Gud Shilpa Bhavan have already learnt the various rules to be followed while conducting these experiments. I have to seek your kind permission to retain these frames and mirrors at our Bhavan. On hearing from you, we shall arrange to remit the cost of the articles.

Thanking you once again for your interest in the Palm Gur Industry and with kind regards,

Yours sincerely,

Gajanan Naik

Dr. K. S. Krishnan,
Director,
National Physical Laboratory of India,
Hill Road,
NEW DELHI.
