Dear Niranjan,

Thank you for the letter and the enclosed manuscript. I assume you were serious about receiving comments. These are on a separate sheet, attached. I hope these are useful in revising the manuscript. I would be surprised if it gets accepted in its current form.

A colleague has written asking for mean monthly rainfall and mean monthly temperature for stations in Tirunelveli district. Are you able to assist in obtaining these? I had asked Santosh also. No reply yet.

I am making some last minute changes to the smoothing programme - giving it a graphics display. I think I'll be able to mail it to you in another two weeks.

Yours,

Rauf Ali

*P.S. My warm regards to your colleagues in CES.
