My dear Professor,

Many thanks for your very
kind letter. It would be certainly a
great pleasure if I could meet you.

I will be in Cambridge till June 9th
and my programme thereafter is not
certain. I can stay for a few more days
if you let me know when you would be
coming here or to London.

Hoping to meet you soon, with
my best regards

Yours very sincerely
M J Nagendra Nath

May I know how long you intend staying
in Cambridge? I can arrange for your
accommodation if you wish.
