Dear Cárl,

Your brilliant 1988 painting of black francolin has been given pride of place in my new home. Shahid, I hope, will show you a photograph! Actually, the home is 300 years old.

I look forward to seeing your plates in the Field Guide to the Birds of the Indian Sub-Continent. What is more, I hope we meet before too long.

Keep up your excellent work.

Yours sincerely,

Dr. G. R. Potts
