

Date 4. 10. 1955.

Dear Dr. Madhava Rao,

Many thanks for your letter of 29.9.55. I trust you have reached Kirkee safely and joined your new duty. I would have very much wished to meet you at the Ry. station on the 30<sup>th</sup> night and bid you farewell in person. But the late hour of the departure of the train and absence of a conveyance for me necessitated made me drop the idea. I trust you will take the will for the deed.

I convey my best wishes to you in your new job and place.

With best regards,

yours sincerely

C.N. Srinivasiengar
