In response to your letter No.Nil. dated December 1, 1986 regarding information on cranes, I have been directed by the Hon'ble Chief Justice, Dasho Paljor J.Dorji, of High Court, Thimphu, Bhutan, to return herewith the map of India in which you have overlooked to print the area outlining the sub - continents e.g. Pakistan, Bangladesh and Bhutan, although the border outlining Nepal has been shown clearly.

You are, therefore, requested to kindly update the map of India and its sub - continents and forward to the Hon'ble Chief Justice for the information wanted by you.
